## Reopening Update

August 28, 2020

Dear Parents/ Guardians,

We pray this letter finds you safe and well. As PCC prepares to reopen its doors for our students, we would like to inform you of the most up-to- date information that we have.

As you all have heard through the media, the school start date has shifted from September 8<sup>th</sup> and will be done through staggered start dates. PCC School Board and Administration have decided to follow the starting procedures as have been outlined by the locally funded school boards:

- September 14<sup>th</sup>, 2020 ----- > Grades 9-12 First Day of School
- September 15<sup>th</sup>, 2020 -----> Grades 6-8 First Day of School
- September 16<sup>th</sup>, 2020-----> Pre-Jk to Grade 5 First Day of School

Please note a new change to the daily schedule for High School Students ONLY will be in place at this time. Although we will be still offering our students the semester model which will include four courses from September to January and another four courses from February to June. Our high school students will be asked to arrive to school between 8:00 a.m. to 8:20 a.m. for the screening process prior to entering the school building as their classes times will be as follows:

- Period 1 ----- 8:30 AM – 9:30 AM
- Period 2 ----- 9:40 AM – 10:40 AM
- Period 3 ----- 10:50 AM – 11:50 AM
- Period 4 ----- 12:00 PM – 1:00 PM

(All students will be required to complete school work that must be submitted by 4 PM which is separate from the regular work assigned at home)

Elementary school day hours remain the same as in previous years.

On September 8<sup>th</sup>, all our families will receive a detailed reopening plan to help the transition back into the school run smoothly and keep our students and staff safe.

Blessings,

*Mrs. Phoebe A. Wasfy, BA, BEd, MEd, OCT*  
*Principal*
